Dear All,

Just a few things to follow:

Aquatech 2006 in Nederland:

Our products were represented by our sales agents: Modderkolk BV, Vlaar Techniek BV and Van Der Arend.

Sales meeting GWU Umwelttechnik GmbH:

Our German Rep organized a sales meeting on October 13rd for their regional agents. Mr Sévar and Mr Heckters were present to promote our products.

Rainer Heckters' visit to HACH in Loveland:

Mr Heckters visited Hach week 40 to organize our collaboration and to solve some problems due to the moving from the production from Frederick to Loveland.

WEFTEC 2006 in Dallas:

Mr Sévar will go to WEFTEC, end of October to meet the people from Hach.

ENTSORGA :

Exhibition in Köln – Germany from October 24<sup>th</sup> until October 27<sup>th</sup>. We will introduce our new Atex GPRS data logger. Some news will be available soon concerning the new revolutionary system! We will communicate a website where anybody can have access to 2 flowmeters data installed in Brussels as test site for the Atex GPRS data logger.

MRBC – Belgium: The Ministry of the Brussels-Capital Region has approved our quotation for the Brussels South Wastewater Treatment Plant. It concerns the inlet flow measurement on both entrance channels that will be based for each collector on a Flo-Dar combined to a Flo-Sonic OCFM system. Brussels South plant covers 360.000 EH.
